

YOUTH ON RECORD

Providing music programs for the youth of Colorado's residential treatment centers

Staff Evaluations Of Youth On Record

Name:

Valerie Scott

Position:

Lead Treatment Counselor II

Program Name:

Shiloh

Date:

8-16-10

What are your impressions of Youth On Record?

Awesome - it's amazing what these last few months have done for all these guys. It's been deconstructing therapy for them & gave them not only a way to express emotions

Are there any expectations that Youth On Record did not meet?

None I can think of. appropriately →

Is there something that you would have liked to see from Youth On Record that was not part of the program?

None I can think of

Was the program an incentive for good student behavior?

Absolutely - the guys knew participating was behavior based and always were "on program" a day or 2 each Monday.

Would you recommend Youth On Record to other residential treatment facilities?

Absolutely - Youth on Record promotes healthy ways of expressing themselves. Gives healthy power & control in the guys hands to create at their will. Promotes self worth, confidence, and knowledge. Kids found an interest.

but something to look forward to every week. Let also give them confidence & raised their self-esteem allowing them to feel better about themselves. I wish they had daily opportunities to work on music like they did here. Youth on Record - Cody, Aaron, & Nate - all awesome

They believe in and were undoubtedly focussed on while working. Youth on Record Team are truly a genuine team who care about these kids offering them things some have never experienced before. I was so impressed by their devotion and dedication.

Did Youth On Record have a positive influence on the students?

Absolutely
The guys leaped forward to this program. counted minutes to go, and talked about it all week

Was the information and instruction provided by Youth On Record appropriate for the student's level of comprehension?

Yes - the team was able to work with the guys & meet them at their level, individualizing them, helping them, & showing

How would describe Youth On Record's classroom management?

Great - we had no issues. The guys respected the Youth on Record team & gave them no problems. Note, Cary, & John

How would you suggest that Youth On Record improve the program?

Can't think of anything at top of my head.

had the program professionally and yet made it fun. They communicated what they wanted, introduced new things all the time, and were able to relate to the guys easily
