Join Youth on Record as we celebrate

10 years of Amplifying the Voices of our Youth

When: October 13th 2018

Where: McNichols Civic Center Building

Red Carpet / VIP – 530pm

General Admission – 615pm

Program: 730pm

Performances: 815pm

About the event: Youth on Record is putting together an experiential art exhibit that will showcase the journey of our organization. This exhibit will highlight the main components of what it took to get to 2018 and to build our Youth Media Studio. This will highlight our founders, partners, investors, volunteers, and of course the many young people we have impacted over the past ten years.

This will be up for a month on the first floor of McNichols Civic Center Building. A portion of the exhibit will weave into the second floor for the event.

Food/Beverage - Silent / Live Auction – Live Performances – Photo Booth and more TBA
