

Podcast Production Intern - Spring 2023

Compensation: \$1500 stipend (split into three payments)

Time commitment: 8-10 hrs per week

In-person hours: Tuesdays and Thursdays, 9 am-12 pm

January 24 - May 2, 2023

Qualifications:

- Available for youth ages 18-24
- Must have a high school diploma or GED.
- Excellent written and verbal communication skills
- Some knowledge of audio production
- Proficiency using a Digital Audio Workstation (e.g., Ableton, Logic, Pro Tools, Audacity, etc.).

The Podcast Production Internship would serve a small cohort of youth (ages 18-24), focusing on developing skills in audio production, storytelling, creative writing, interviewing, and project management through a critical lens. Interns will receive technical training, professional development, and the chance to produce original audio pieces featured on Youth on Record podcasts. The internship will include six hours per week of in-studio work at Youth on Record and 2-4 hours per week of asynchronous work. Upon completing this internship, students will have a portfolio of original audio recordings and the skills to produce original pieces.

Interns will be expected to meet regular deadlines for their projects, participate in workshops and seminars at our Youth Media Studio (and virtually as needed), and attend a culminating event.

All our staff and student-facing contractors are vaccinated against the Covid-19 virus.

To apply, please email your resume and cover letter to podcasting@youthonrecord.org with any questions by November 14, 2022. If you are currently enrolled in a college or university, please include a transcript.
