YOR Sessions

We released 3 YOR Sessions, featuring local bands Soneffs and On the Zenith plus Virginia-based RDGLDGRN! YOR Sessions are recorded, filmed, engineered, mixed, and edited by YOR rising creatives ages 16-26, giving them the opportunity to earn while they learn.

YOR is back at Civic Center EATs! Through a partnership with Civic Center Denver, YOR artists are paid to perform at Civic Center Park all summer long, providing music as a backdrop for Denverites enjoying the food trucks.

Through Get Loud Presents, YOR alumni supported with artist relations at Outside Days' Discovery Stages, ensuring artists had everything they need for a great festival performance!

In honor of Mental Health Awareness Month, we hosted our second annual Mental Health Action Day. Youth joined for a day of wellness + art workshops and a community concert featuring mental health resources.

We kicked off Pride Month YOR-style with Colors of Sound: Pride Showcase. Queer artists in the YOR community took the stage for incredible music performances!
